Let us show you this beautiful part of our world from a perspective like no other...

Take the picturesque drive from Queenstown along the shores of Lake Wakatipu to the village of Glenorchy. Nestled in amongst the spectacular mountains of the Southern Alps, Glenorchy is known as the Gateway to Paradise.

On arrival in Glenorchy, you will join a 20-minute breathtaking scenic helicopter flight over the crystal-clear blue waters of Lake Wakatipu taking in the views over Paradise, Mt. Earnslaw Glacier, Middle Earth braided rivers and the Glenorchy township.
